

Magnolia Public School Presents

Here at Magnolia we are constantly looking to help those in need. This teaches our students to give back and reinforces good character. When we do something nice it is a “Win-Win”. As future leaders let’s band together to raise awareness for hunger and help our local organizations feed families in need. Feel free to share this throughout our communities.

All through October please send in cans and non perishable food items to donate. Label them clearly for you classroom to earn credit. The class with the most donations will receive a special gift from the Principal!

*Donations will be delivered 11/2/2021 to campout for hunger sponsored by 93.3 WMMR Radio Station
