Dear Parent/Guardian,

On April 14, 2021, the New Jersey Department of Education (NJDOE) provided further guidance regarding spring 2021 statewide assessments. **Based on this information, there will be no spring 2021 administration of the New Jersey Student Learning Assessments (NJSLA).** The Start Strong assessments will be administered in fall 2021 and will satisfy the state assessment requirement for the 2020-2021 school year.

The fall 2021 Start Strong assessments will be administered in person to all students in English language arts grades 4-8, Math grades 4-8, and Science grade 6.

The United States Department of Education is still requiring the NJDOE to administer ACCESS for English Language Learners (ELLs), an English language proficiency test for ELL students, and Dynamic Learning Maps (DLM), the alternate assessment for students with IEPs as determined by the Child Study Team. Therefore, the administration of the ACCESS for ELLs and DLM assessments will continue as planned.
