Wrestling is one of the best sports for promoting both physical and mental development. It incorporates balance, reflexes, strength, flexibility, endurance, and agility, in a way that few other sports can. And the one-on-one dynamic provides kids with continual opportunities to develop their self-confidence, discipline, sportsmanship, and competitive spirit.

The Knights Junior Wrestling Association is committed to providing a high-quality experience for youth in our communities. And we're looking for kids ages 4-14 to join our excellent and growing program!

**How to Register in Three Steps:**

- 1) Complete the online registration form here: <https://forms.gle/ftMnNvZXpyEDDuWV6>
