

Evening Assembly for the PARENTS!

Wednesday

9/25/19

6:30-8:00pm

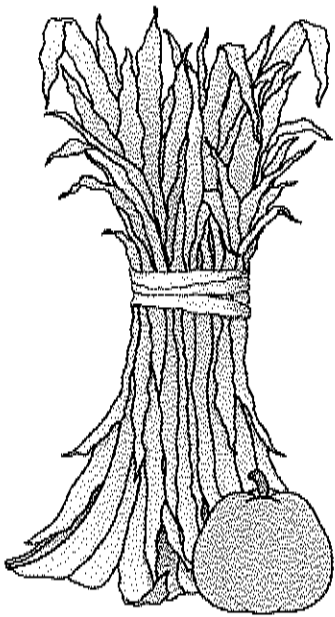

****This evening assembly is for parents only. Students are attending an afternoon session during school. ****

In today's technological age, parents/educators face a daunting task of raising their children free of constant negative influence. Access to undesirable people and information is prevalent and extremely difficult to monitor. This is exacerbated by the fact that most kids are more proficient and comfortable with technology than their parents. **Consequently, parents need to educate themselves on the dangers today's children face from this constantly connected online world.**

Our Presenter will be Melissa Straub from High Impact Youth training Solutions, Melissa Straub is a Private Investigator, social justice advocate, and a licensed Private Detective in the State of New Jersey. She is a former police detective with specialized training as a school resource officer and has more than 20 years of experience in the field of child advocacy, sex crimes, cybercrime, white collar crime, and fraud issues. She has testified as an expert witness on social media investigations in New Jersey.

In an effort to educate and empower parents to keep a better watch over their children, Magnolia Public School is offering Social Media Awareness, Internet and Internet Safety Parenting in The Digital Age. During this 90-minute presentation, parents will learn of the following danger areas:

- Ø Review of Kids Current Issues, Sites and Apps
- Ø Teens and Social Media/ Technology
- Ø Connectivity & Devices
- Ø Digital Footprint and Detox?
- Ø The New Definition of Bullying/Cyberbullying
- Ø Structure of Technology? What Makes It Dangerous
- Ø Social Networking: Age Restriction, Privacy and Security Settings
- Ø Social Media Trends and Dangers
- Ø Accidental Exposure & Pornography
- Ø Cyber-Bullying-Online Aggression
- Ø Psychological Fallout from Constant Connectivity and Exposure
