Dear Parents:

In an effort to help streamline the process of applying for free and reduced lunch each school year, we are pleased to introduce the new Online Free and Reduced Lunch application process. If you so choose, you may now apply for free or reduced lunch through the following link:

<https://mealapp.lunchtimesoftware.net/>

Once you complete the online registration you will then be able to fill out your lunch application electronically and submit it directly to the school. Once you submit your online application you will not be able to go back and edit it. Should you need to make any changes after your submission, you must contact Judy Flores, CST Secretary. She can be reached at jflores@magnoliapublicschools.org or 856-783-2994 Ext: 820.

Should you have any questions please refer to the "Parents' Guide to Getting Started" which you can find on the top right hand side of the page once you register to the site. You can also find it on the Sterling High School website, www.magnoliaschools.org, under the "School lunch/breakfast" tab. Then click on Online Lunch Application Parents' Guide.

It should be noted that this school year (2021-2022) all applicants that would qualify under "reduced" will have no charge.

Sincerely,

Paul Sorrentino
